3. Click on Send to PNR or Preview and then Send to PNR. This will place the profile information in the appropriate Amadeus formats on your clipboard. ClientBase will present a message that the information for your PNR is ready for pasting.

4. On the command page in Amadeus, right-click and paste your data or enter Ctrl V to paste

The screenshot shows the Amadeus command page interface. At the top, there is a blue navigation bar with the Amadeus logo and menu items: File, Go To, Settings, Scripts, and About. Below this is a toolbar with buttons for 'New booking file', 'New command page', and 'New Traveler Profile'. A search bar is present with the text 'Retrieve booking file by name, re:' and a 'Retrieve' button. To the right, there is a text input field with the placeholder 'Enter GDS Commands, for example: ANLO' and a 'Copy' icon. Further right are dropdown menus for 'Amadeus' and 'Your Smart Flows'.

The main content area is titled 'Command page - VANCE ALLISON M (1) [1]'. It displays a list of commands and their results:
